

This Access (2000 version) cataloging database is intended for use by researchers holding repository agreements with the Minnesota Historical Society to facilitate submission of electronic collection records that can be imported into the institution's collections management system database. Use of this Access database is required under the terms of the repository agreement. If you have any problems with the use of this database or any questions related to cataloging, please contact Nancy Hoffman at nanacy.hoffman@mnhs.org.
