

5148-Hammerberg

March 2, 1922

**Mr. R. J. Fisher,
10-11 Nelson Building,
West Duluth, Minn.**

Dear Sir:

I have yours of the 28th ult., inquiring as to our Carl Hammerberg, #5148. He was received here January 8, 1921 and came before the Board of Parole in December, 1921, when his application was denied. He will come before the Board of Parole again in six months from that time. His record here has been good. The Board felt that under all the circumstances and full consideration of the case, that a somewhat longer stay would be beneficial to the young man.

Very truly yours,

cev-er

Superintendent.
