

5148-Hammerberg

July 1, 1922

Mr. A. Tulla, Postmaster,
Sax, Minnesota.

Dear Sir:

On June 29th I wrote you concerning one Carl Hammerberg, our No. 5148, whose parole was recently authorized, and asked if you would be willing to sign his monthly reports. Since that time we learned that his mother has found employment for him in Duluth, and, considering all circumstances, we thought it best for this boy to go home. You may, therefore, disregard my former letter.

Very truly yours,
